

WHAT IS KIK?

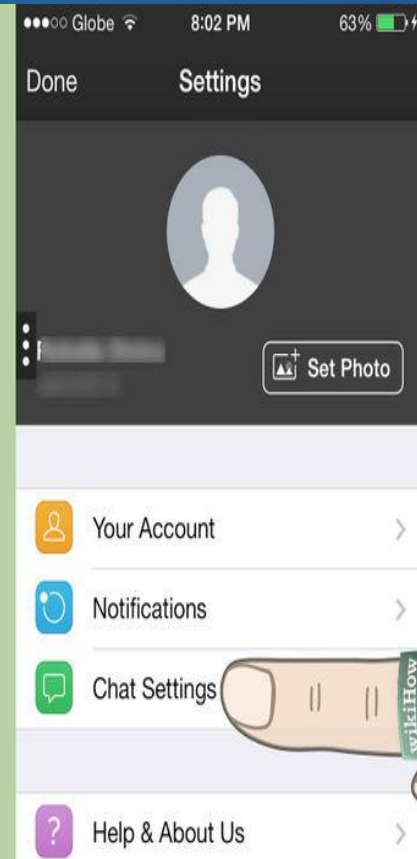

BY: GLORIA, MARILU, POOJA, KEIRIS :)

HOW DOES IT WORK?

1. Log in
2. Add friends by clicking the message button.
3. Text them
4. add
5. Send pictures

And this is how you log off

Who uses it

Most people in REALM have kik to text with their friends even when they are in class. But, also you can chat with people you don't know.

AGES:11-22

--->*Even little ones that are younger they might have a kik too.

PROS

Something good about is that we could help are friends with homework.We could play games like truth or dare. :)

CONS

The bad things about kik is that you could get cyber bullied.

How you can use it for good?

You can use it for good to text
your friends that you haven't
text/talk for a while.

How do you know that your kid has a secret kik?

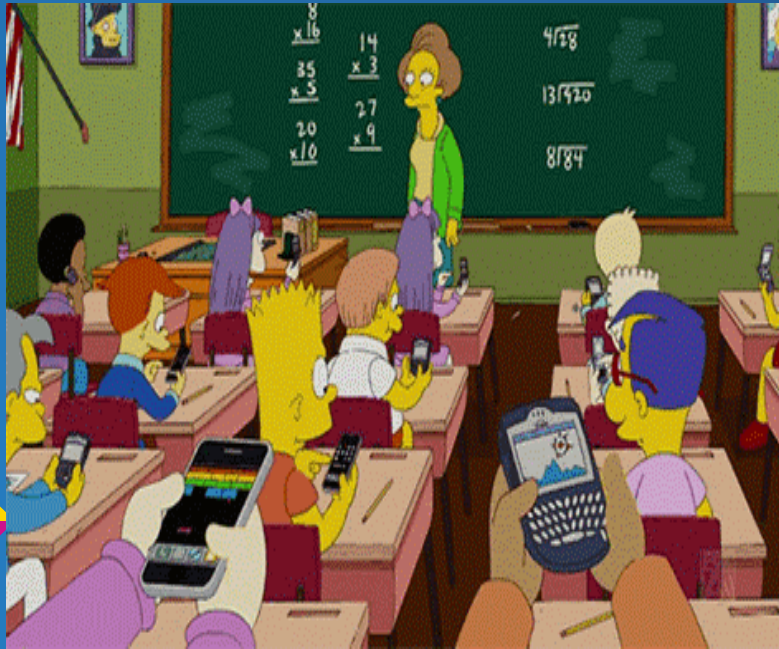

You can know that your kid has a secret kik by this reason: Some little text message is on top of your phone and it's says kik.

How you know theres bullies in kik?

You can know by if your kid does not want to tell you why they are crying/angry that can lead to suicide.

*why can not we use phone in CLASS

Thats why we can't use our phones in class .

kik.

THANK YOU FOR
WATCHING. :)
